

Installation Instructions Part Number

23285408

Kit Contents

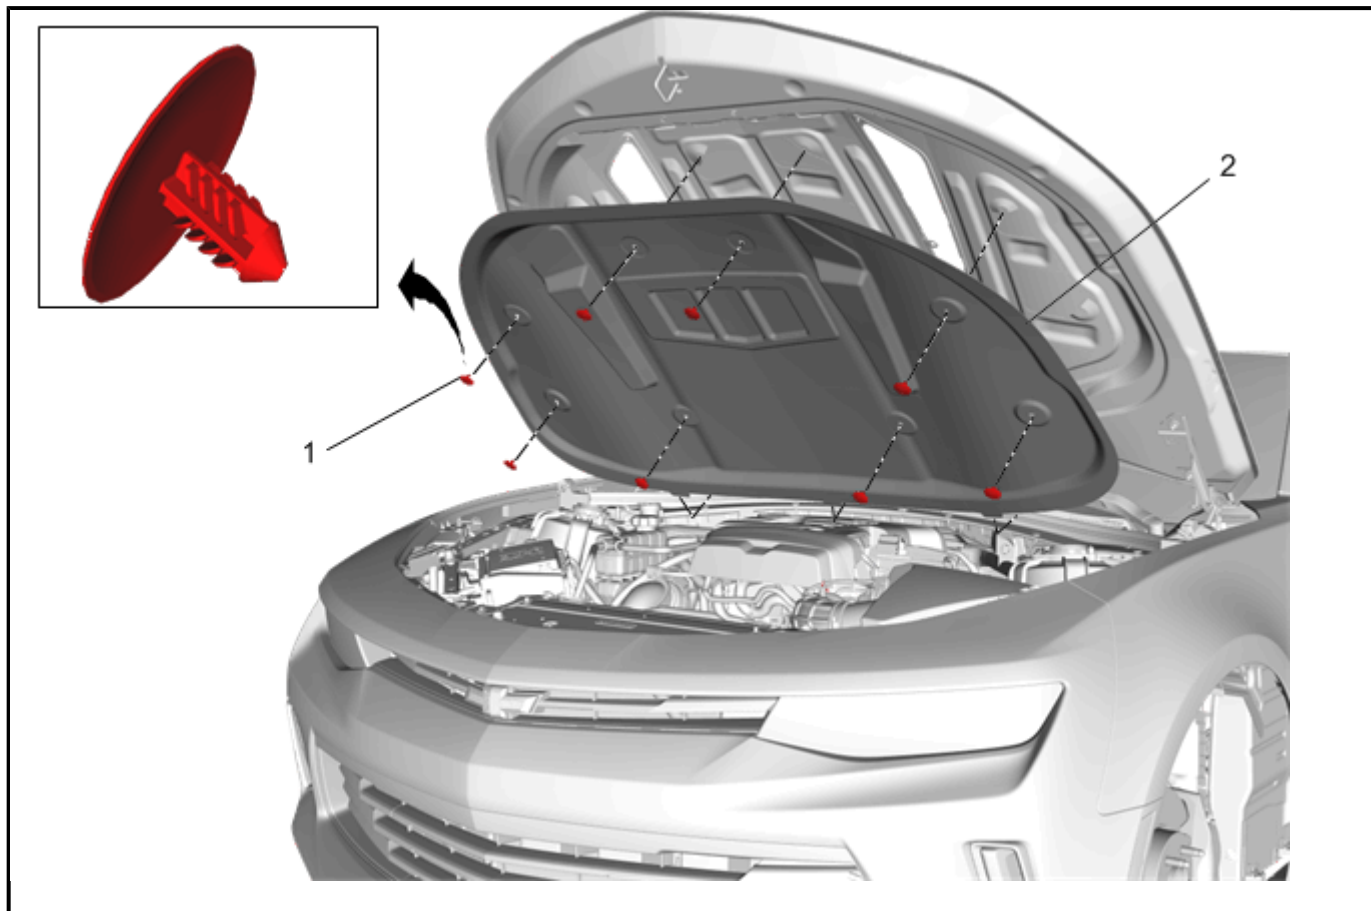

Qty	Description
1	Hood Insulator
8	Push Pin Retainers
1	Installation Instructions

Tools Required

J 387789 Door Trim Clip Remover or Equivalent

Removal Procedure

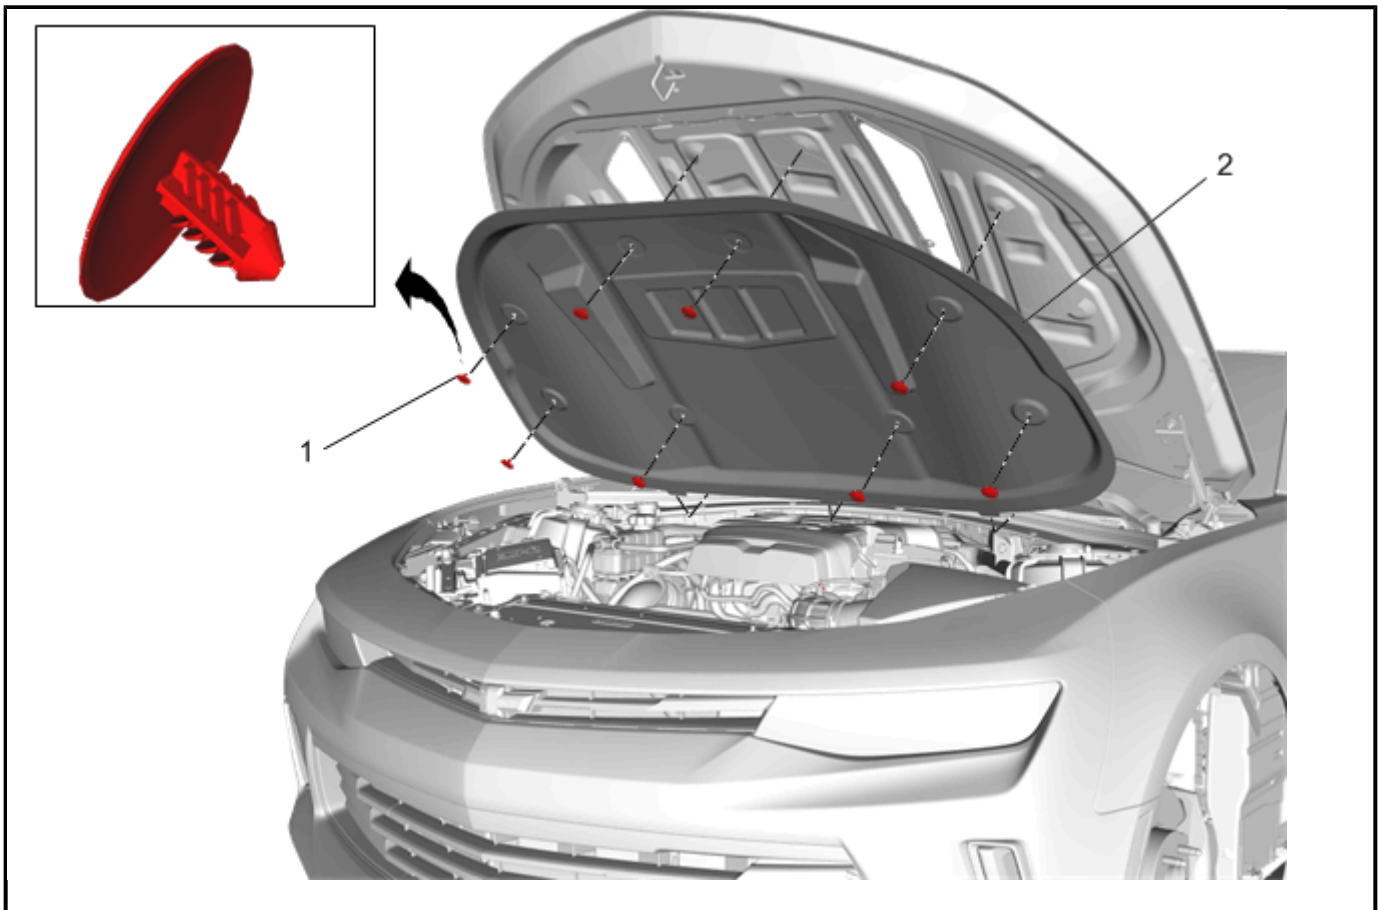

1. Raise the hood.

4183882

2. Using a J 38778 tool or equivalent, remove and discard the hood insulator push pin retainers (1).
3. Lift hood insulator (2) and slide the three lower integral tabs out of the hood slots. Remove hood insulator.

Installation Procedure

4183882

1. Position the accessory hood insulator (2) to the hood and slide the three lower integral tabs into the hood slots.
2. Install the eight new hood insulator push pin retainers (1) until fully seated.
Note: These retainers are a one time use and need to be replaced during installation.
3. Close the hood.
